With the ever changing restrictions we are currently trying to plan what this day will look like. In the past, we have had a formal program for parents and grandparents. Unfortunately that will not be possible again this year. An email will be sent in regards to the plans once the new restrictions have been announced after the long weekend.

Thank you to everyone for helping to make Early Childhood Education Week special for all of our teachers! We are so thankful for all of the love and support that we feel from all of our families! We also want to say thank you for your continued support and patience though a very different and difficult year. We know that it has not been an easy year but we are so thankful that we have been able to remain open throughout.
